Nigerian National Anthem

United States National Anthem

Arise, O compatriots, Nigeria's call obey
To serve our fatherland
With love and strength and faith
The labor of our heroes past
Shall never be in vain
To serve with heart and might
One nation bound in freedom,
peace and unity.

Oh God of creation, direct our
noble cause
Guide our leaders right
Help our youth the truth to know
In love and honesty to grow
And living just and true
Great lofty heights attain
To build a nation where peace and
justice
shall reign.

National Pledge

I pledge to Nigeria my country
To be faithful, loyal and honest
To serve Nigeria with all my
strength
To defend her unity and uphold
Her honor and glory
So help me God.

O! say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O! say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave?

On the shore, dimly seen through the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected now shines in the stream:
'Tis the star-spangled banner, O! long may it wave
O'er the land of the free and the home of the brave.

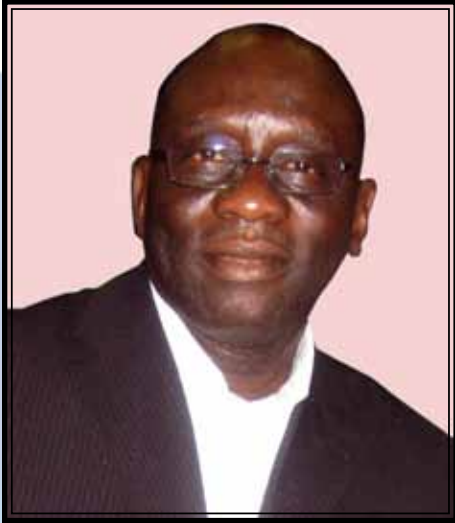

School

Dengram we sing to you
Lux fiat
Dengram we bring to you
Faith untold
You challenge and inspire
Your hope and desire
We sing to you our Alma mater
Lux fiat

D.M.G.S. Old Boys Association of North America (DOBANA)

A Welcome Message from the Washington DC Region Chapter President

On behalf of the Washington, DC Regional Chapter of the DMGS Old Boys Association of North America, it is my distinct pleasure and honor to welcome you to the 87th anniversary of DMGS and the 6th Biennial Convention in honor of our alma mater. We are proud to host this grand event, celebrating the service and accomplishments of DMGS' friends and alumnae as well as to further our commitment to DMGS in 2012 and Beyond.

At the 5th biennial convention, in New Jersey, I promised to lead an effort to establish a branch in the DC region. Using social media, as well as the simple, yet personal touch of engaging in conversations with friends and acquaintances, we quickly made enough contacts to hold regular meetings. This group remained in tact, continued to grow and brought to fruition our goal of bringing a convention to this region. Here we are, proudly serving as host

in one of the most diverse and influential cities in the world - the great capital of the United States of America. Mission accomplished!

Fellow alumnae, as we continue our efforts 'Rebuilding DMGS', let us be mindful not to get weary or discouraged by seemingly slow progress. Our coming together is proof that the Old Boys care enough to organize a collective effort to support our school. We shall forge ahead and actively pursue our goal of restoring DMGS to its place of prominence by establishing safe, state-of-the-art facilities and cash reserves to ensure the education of future generations. We will play a key role to ensure that DMGS will continue to produce leaders in all walks of life, including academia, government, the sciences, entrepreneurship and the faith community. We will remain faithful to our pledge, which is to support our alma mater by doing our part to ensure that it has the resources needed to succeed in raising productive citizens.

I am grateful to our keynote speaker, Dr. Okenwa Nwosu, who has graciously agreed to address us today. A longtime member of this fine association, he not only understands our commitment to DMGS but diligently shares in our work. I am confident that he will both re-energize and challenge us to live up to our great purpose, DMGS 2012

and Beyond.

I am most appreciative of those members who shared my vision of establishing this chapter. I personally want to express my thanks for all your hard work, which made this event a reality. It has been my honor to serve as your president and I look forward to us doing many great things as we forge ahead.

To our guests and well-wishers, many thanks for your multi-faceted support. We thank you for honoring our invitation and sharing in our labor of love for dear DMGS, with your generous financial support. I pray for your good health, safety and much personal success in all your endeavors. During your stay, please reach out to any member of our association, if we can in anyway, be of assistance. We hope those of you who are visiting the Washington, DC metropolitan area will find the time to take in the sites, which include some of the most impressive monuments, museums, theatres, amusement parks, shopping and entertainment in the world.

May God Bless you all. Lux Fiat!

Osita C. Okafor
Chapter President
Washington, DC Region

D.M.G.S. Old Boys Association of North America (DOBANA)

MESSAGE FROM THE PRESIDENT

nization committed to the progress of DMGS, Onitsha and to the welfare of its members in North America. The Association was formed for the sole purpose of addressing the myriad of Socio-Economic problems facing DMGS and finding lasting and genuine solutions to them. Our existence is purely for the betterment of DMGS and her students. Through our Conventions, we have been able to address some pressing problems within the school, especially in Education and Infrastructure. We have not only become a major partner in giving our old boys, educators and students hope, but also in fighting for progress at the school.

This year, we are having our 6th Biennial National Convention that has brought together many illustrious old boys, educators and friends of DMGS all over the world to help us, among other things, address the current problems facing DMGS and contribute to the challenges of rebuilding DMGS.

Since assuming office in January 2011, I have, with the strong leadership and guidance of DOBANA Executives, assiduously pursued the goals of DOBANA by continuing the strong efforts of my predecessors. During the past year and half, DOBANA recorded three major accomplishments:

First, it deployed the funds raised during the 2010 DOBANA Convention in New Jersey to continue construction of a new class room block at the school. Second, we applied for, and were granted a 501(c)(3) tax exempt status by the United States IRS. The tax exempt status will enable us to widen the scope of our fundraising efforts as donors will now be able to make tax deductible donations to DOBANA. Third, with the creative effort of Mr. Green Dim (Omenuko-aku), we ran a very successful fundraising program in July and August 2011

which was dubbed DMGS 2011 Summer Madness Fundraising Campaign. This effort enabled us to raise nearly \$20,000.00. These funds are currently being utilized to continue work on the main school block at DMGS.

I want to take this opportunity to publicly acknowledge and thank Omenuko for his efforts in last year's fundraising, and I want to thank all the Dengramites who took that experimental fundraising campaign very seriously. Many Dengramites gave very generously and took advantage of the old DMGS competitive spirit to financially remember and support our alma mata. At an appropriate time, we shall formally recognize some of these people.

For now, we need to take the opportunity presented by this convention to speak openly and honestly about how to restore DMGS to its larger than life stature as one of the best secondary schools in Nigeria. We welcome and encourage inputs from DOBA-WW and from our fraternal brother organization, DOBA-UK. Working together, we can achieve more and will be able to make DMGS the best it can be. Let us, here and now, rededicate ourselves, as Dengramites, to the cause of rebuilding DMGS so that in the end, we would have lived up to the DMGS motto – LUX FIAT. In the words of President Obama, this is our time, this is our moment, let us show the light.

Thank you all and have a wonderful evening.

Lux Fiat!

Nwachukwu Sam Okonkwo
President, DMGS-OBANA
Tugwell House 1973.

To our distinguished guests, fellow Dengramites, Sir Gibson Okeke, President DOBA Worldwide; Dr. Chijioke Ojii, President, DOBAUK; Sir Chris Ukachukwu, representing the Right Rev. Owen Nwokolo, Bishop on the Niger, Presidents of Local Chapters, our keynote speaker, Dr. Okenwa Nwosu, ladies and gentlemen. On behalf of DMGS-OBANA, I welcome all of you to this our August gathering – the sixth biennial DOBANA convention which is being held in Laurel, Maryland. We, the Executives and the entire members of DOBANA are honored by your presence here today. It is our hope and desire that your contributions to this convention, intellectually, and yes materially, will help to advance the cause for which we have all come together here today.

The theme of this year's DOBANA convention is DMGS: 2012 and Beyond. For those who do not know, Dennis Memorial Grammar School (DMGS) was founded in 1925 as a church missionary school, making her one of the earliest secondary schools in Nigeria. The once beautiful campus and culture of DMGS was ravaged by the Nigerian civil war (1967–1970).

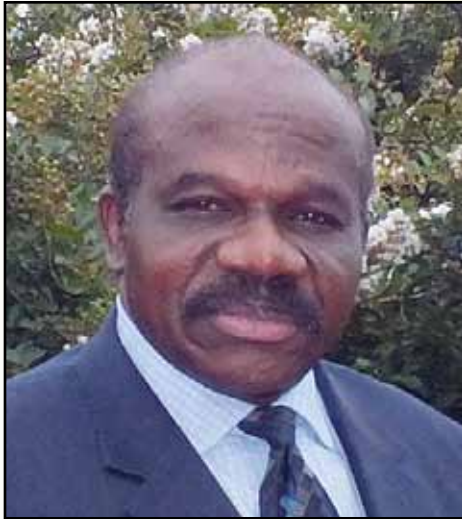

The DMGS-OBANA, Inc., is an orga-

Keynote Address

DENGRAMITES ARE THE HEART OF THE SUN

Dr. Okenwa R. Nwosu

The DMGS badge is one of the initial items provided to all students soon after they complete the registration process as a fresher. The iconic cloth badge designed with red and yellow background features the grammar school's motto in Latin: LUX FIAT. "Show the light" and "Let there be light" are two popular English translations of the DMGS motto. Since its founding in 1925, DMGS was intended by its founders to be the light source for all persons, groups and of course, the society with which it has been associated over the decades. The object of my address to you today, as the alumni organization of the legendary citadel of light in our part of the world, is to revisit

and reflect on the impact which our alma mater has had in our individual lives, careers and outlook on the society in which we find ourselves, in particular and the world, in general.

As Dengramites, what we have in common is that we share an upbringing in the citadel of light and thus have the right to be regarded as the children of light. Sound Christian upbringing, pursuit of academic excellence and unwavering commitment to community service make up the triad of principles imbued in any student who passed through DMGS since it was founded 87 years ago. Upon graduating from our mater, we became little nuggets of light wherever we found ourselves. The preponderance of Demgramites have remained true to our historical upbringing as bearers of the light in all fields of human endeavor. The legacy of Dengram, about which we are infinitely proud, lives in each and every one of us in all we do. The only light source in nature that we know is the sun. Our cosmos is lit and powered by billions of suns which populate hundreds of billions of galaxies that make up the universe. As Dengramites, we have a lot in common with the natural energy sources that power and light up our known universe. As bearers of the light sourced from our Alma Mater, we individually and collectively share the burden of duty to energize and enlighten the world in which we find ourselves in our time.

How we go about accomplishing this life-long challenge shall be the essence of rest of my speech before you tonight.

Okenwa R. Nwosu, M.D.

BRIEF BIO OF OKENWA R. NWOSU, M.D.

Dr. Okenwa Nwosu hails from Akama (IDU Ward 22), Ngo village, Igboukwu. His early life was spent in his hometown where he attended primary school and learnt the fundamentals of surviving as a child in a rural agrarian setting. As a teenager, he went to Dennis Memorial Grammar School (DMGS), Onitsha where he was first introduced to urban lifestyle as a boarding secondary school student. Dr. Nwosu was assigned to Tugwell House and belonged to the graduating class of 1965. In his final year of Higher School (two-year post-secondary education), the entire school system in the former Eastern Region was closed down because of the start of the Nigerian Civil War in July 1967. In 1968, he joined the Biafran Army where he rose to the rank of a junior military officer. With the assistance of his cousin, Professor Uchenna Nwosu, he migrated to the US in late 1970 to resume his educational career.

Dr. Okenwa Nwosu was admitted into Howard University College of Medicine, Washington, DC in 1972 after his premed program in the same institution. Upon graduation from medical school in 1975, he went into postgraduate surgery residency. He was certified by the American Board of Surgery in 1981 shortly before he left the US with his family

to return to Igboukwu, Nigeria at the end of same year. His professional practice included having served as the consultant surgeon at Apex Medical Center and later at Union Hospital, Igboukwu where he was also its founding Medical Director. Dr. Nwosu opened LaSalle Hospital, Nnewi and Amichi as well as Igbo Surgical Clinics at Igboukwu and Nnewi where he practiced his surgical specialty until later part of 1995 when he relocated to the US with his family.

In the mid 1980s, Dr. Nwosu was Chairman of Education and Sociocultural Committee of the Igboukwu Development Union (IDU). He founded the Run for Life Campaign, a youth-oriented nongovernmental outfit, with its national headquarters in Nnewi, in 1988 and subsequently organized health-promoting jogging campaigns in many Local Government Areas in Anambra, Imo and Enugu states. During the abortive Third Republic transition program, he was Deputy Chairman of the National Republican Convention (NRC) in Anambra state. Dr. Nwosu published many articles on politics, health matters and current affairs in leading daily newspapers, magazines and journals in Nigeria throughout his extended sojourn in his hometown, Igboukwu.

Upon his return to the US in late 1995, Dr. Nwosu worked diligently to found Omni Medical Center in the Maryland suburb of Washington, DC where he continues his professional practice till date. He collaborated with individuals of like mind resident in many parts of the US to establish the Osondu Foundation, Inc., an Igbocentric nonprofit organization which functions as a think-tank on Nigerian affairs, with special emphasis on the Igbo nationality. In 2005, he founded the World Igbo Environmental Foundation, Inc. (WIEF). He remains the President/CEO of these entities till date.

Dr. Nwosu is active in many professional and societal organizations, both in the US and elsewhere worldwide. He continues to write and publish articles on a variety of subjects which are read widely online via many conduits. He is the publishing editor of official web sites for the Osondu Foundation (www.osondu.com) and WIEF (www.wief.net). His main hobbies include writing, traveling, photography, design, graphic arts and jogging. Dr. Nwosu is married to Mrs. Marcia Yvonne Nwosu (nee King) and has four children.

heartily rejoice with **DMGS-OBANA** on successfully hosting their
6th Biennial Convention in Maryland.

Our special appreciation goes out to the President of DMGS-OBANA, Mr Nwachukwu Sam Okonkwo and his executive council for their persistence in bringing this convention to fruition. Mention must also be made of members of the hosting local chapter for their willingness to host the conventioners. We applaud their effort and diligence. Finally we wish our old boys a most productive convention worthy of the great school to which we owe so much. May we never forget from whence we came.

Signed: Ikechukwu & Ifeyinwa Ofomata

BSD Advisors LLC

August 11, 2012

*Mr. Nwachukwu Sam Okonkwo
President
DOBANA*

On behalf of BSD Advisors LLC, I wish to congratulate you and the DOBANA Executives on your efforts to restore DMGS to its historical stature as one of the best private secondary schools in Nigeria. The 2012 DOBANA Convention is an important step in DOBA's organization - a panacea for promoting and advancing the cause for which DMGS stands.

True success is measured, not by one's ability to afford or acquire what one wants for himself and his family, but by one's ability to look beyond oneself. Therefore, I challenge every successful Dengramite to look beyond himself or herself, take the issue of rebuilding DMGS seriously, and recognize that no Dengramite can spell success without "S" as in "school".

We wish you a very successful convention.

Njideka Anadu

Kenenna & Tobenna Ndefo

Emeka Ndefo, Jr.

D.M.G.S. Old Boys Association of North America (DOBANA)

REMEMBERING REVEREND H. D. O. CHIWUZIE PRINCIPAL D.M.G.S. ONITSHA 1972 TO 1973

The man Chiwuzie was ahead of his time. He was a DMGS old boy; he showed the light just as the school's creed demanded of him. He showed love and understanding to all who came in contact with him.

He kept the light burning after his classmates and co-traveler left DMGS for Umuahia. He came to DMGS from Anglican Grammar School, Oraukwu, a school which he was the principal from its inception. Before Oraukwu, he had done good work at Saint Augustine's Grammar School "SAGS", Nkwerre. Having no children of his own, he treated us all as his.

May all DMGS Old Boys join me today in remembering and agreeing that we shall never forget him for he was "a great bearer."

Lux Fiat.

C. J. ODUNUKWE

D.M.G.S. Old Boys Association of North America (DOBANA)

It is with great pleasure and gratitude that I wish to extend my heartfelt greetings to all Dengramites everywhere. I hope that our mission for our school and people continue to be fueled by our individual commitments to the course.

As we move forward, let us show ourselves, worthy stewards of the baton handed to us, by those who came before us. Let us inspire each other to be that Dangramite we've always been proud of. May God's spirit cloak the occasion and guide you safely back home to your various destinations.

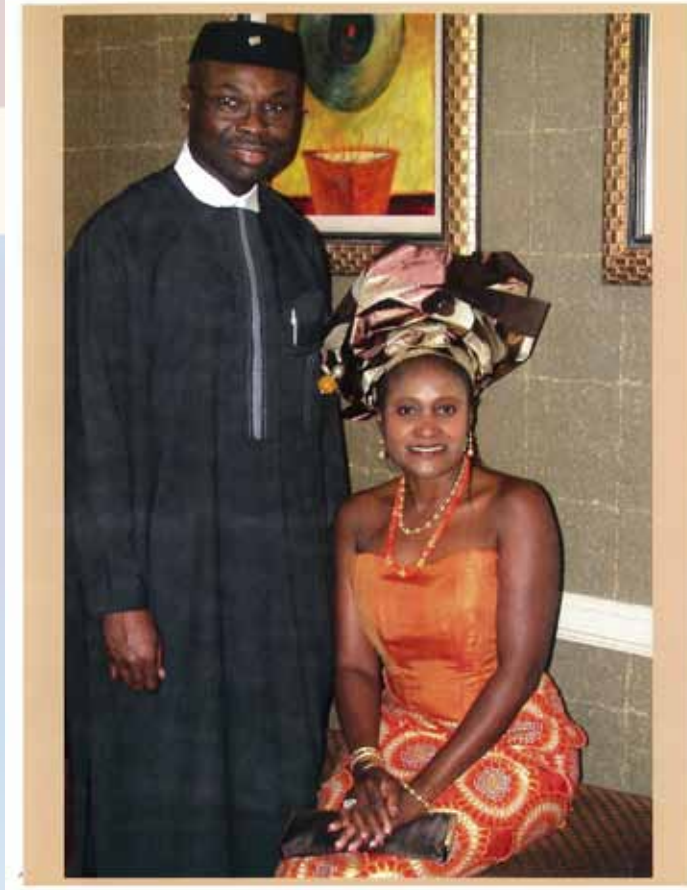

Have a wonderful celebration knowing that, present or absent, we support the mission morally and finically.

D.M.G.S. Old Boys Association of North America (DOBANA)

Dr Ikechukwu & Mrs Ifeyinwa Ofomata heartily rejoice with DMGS-OBANA on successfully hosting their 6th Biennial Convention in Maryland.

Our special appreciation goes out to the President of DMGS-OBANA, Mr Nwachukwu Sam Okonkwo and his executive council for their persistence in bringing this convention to fruition.

Mention must also be made of members of the hosting local chapter for their willingness to host the conventioners. We applaud their effort and diligence.

Finally we wish our old boys a most productive convention worthy of the great school to which we owe so much. May we never forget from whence we came.

Lux Fiat.

Signed.

IKECHUKWU AND IFEYINWA OFOMATA

BESTECH ENERGY GROUP

Making energy efficiency & renewable energy most affordable

www.bestechenergy.com | Phone: (301) 531 4455

Bestech Energy, an **Energy Star Partner**, a Maryland corporation in the United States of America is in the **energy efficiency and renewable energy** business.

Bestech Energy provides the highest quality, affordable, modular, distributed, renewable (solar PV) electricity to homes and businesses in both rural and urban areas by **first**, installing ultra-energy efficient electrical appliances and products to reduce the customer's electric load by over 65-90% prior to the solar PV installation.

WORK WITH BESTECH ENERGY TO TAKE THE FOLLOWING STEPS:

A. ENERGY EFFICIENCY: Energy Efficiency is the key to driving down the cost of installing **Renewable Energy**. BESTECH ENERGY manufactures the most efficient appliances and lighting products that reduce the energy usage in homes, businesses, offices, apartments and other buildings by about 60-75% prior to any renewable energy installation and consequently cut electric bills and solar power system cost by 60-75%.

Begin by installing the following Bestech Ultra Energy Efficient appliances:

- Air Conditioners and Heat Pumps to reduce your energy consumption by 50-75%
- LED bulbs & tubes to lower CFL & Incandescent bulbs consumption by 50% & 90%, resp.
- Ceiling Fans to reduce your energy consumption by 65-70%
- DC & AC Refrigerators to reduce your energy consumption by 86%
- Boreholes and surface transfer pumps to reduce your energy consumption by 91%
- Solar Thermal Water Heaters

B. RENEWABLE ENERGY: Install Bestech Energy Efficient appliances & save 75% of your Solar/Wind Power system cost.

- Install Solar PV Panels on the roof or other locations and/or
- Install Wind Turbines subject to wind speed in the area.
- Engage BESTECH to drastically reduce your generator size, electric, diesel or petrol cost.
- Get Solar Off-Grid or Hybrid System today. No more NEPA, get SPN (Some Power Now!!)
- Get your priority right. Don't buy the N6 million SUV. Give Bestech the money to power your whole house!!
- Install the only AC in the whole world that you can run with 2 kVA generator!!

PROFESSIONAL SERVICES & EQUIPMENT GUARANTEED FOR ONE TO TWO YEARS.

INITIAL CONSULTATION IS FREE!

DUCTLESS HEAT PUMP & AC

INSIDE UNIT

Plus Energy Tax Credits Up To \$500

BESTECH'S Exclusive Most Energy-Efficient DUCTLESS Heat Pump And Air Conditioner!

BESTECH BEATS THE REST!!

When you install new ultra efficient ductless heating and air conditioning system from Bestech, you will use less energy and save money.

ENERGY MIZER – Bestech Energy Star-rated 1 Ton Ductless Heat Pump/Air Conditioner consumes about 500 Watts compared to 1,200 Watts for LG and 1,320 Watts for Samsung.

CLEANER AIR – Bestech Ductless Heat Pumps/Air Conditioners are free of allergens and other microbes found in duct systems.

MAKING MONEY FROM THE GREEN REVOLUTION – Bestech Ductless Heat Pump/Air Conditioner units have Energy Star rating for their proven energy savings and affordability. Energy efficient space conditioning is key to achieving GREEN ENERGY. Begin by installing Bestech Heat Pump/Air Conditioner units today. Our team of professionals will install Bestech systems to your complete delight.

D.M.G.S. Old Boys Association of North America (DOBANA)

DR CHIJOKE OJJI

Dear President & Members of DOBANA

On behalf of my family and DOBA UK, we wish DOBANA a happy and fraternal convention on 24/25 August 2012.

We wish this to be a convention that will affirm your continued defence of the values and history of DMGS, our shared patrimony, and reinforce your unstinting commitment to its future.

As you celebrate this joyous occasion, we pray the convention to also demonstrate leadership in tapping the reserve of intellect and goodwill available within the Old Boys, and help to shape a New DMGS to celebrate at our 100th birthday.

Lux Fiat.
